

A-OK: Art for Orcas Kids

A program of the Orcas Island Education Foundation

A-OK welcomes your interest in becoming a part of our program. We believe that practicing artists can bring exceptional art experiences to children in a public school setting, especially in the absence of an art teacher. We'd like to know a bit more about you as a person and an artist, and what you feel you can bring to the children of the Orcas Island Public Schools.
